OF OUR CHILDREN'S &  
YOUTH MINISTRIES

## A CHURCH TO LOVE

However and whenever they find us, students are welcomed into Church of Our Saviour with open arms. Along the way, they'll learn to understand our denomination, including the who, what, where, when and why of the Episcopal Church, the Book of Common Prayer and our own congregation.

## A PLACE TO BELONG

In a world of increasing isolation, our goal is always for students to have a deeply held sense that they are valued and accepted by God and by their church family. At Church of Our Saviour, students will have the space to ask questions and explore their Christian faith among friends that they love and trust.

## A BIBLE TO TRUST

Children and youth at Church of Our Saviour get to know God by reading His Word. Our goal is that they become comfortable with, and eager for, personal and group bible study.

## A WORLD TO SERVE

Our response to God's grace is found in how we love others, respecting the dignity of every human being. Our students will have many opportunities to share the gospel of God's love through acts of service and kindness.

## A FAITH TO LIVE

We strive to teach our students to live as people of grace, forgiveness, and acceptance because we have received these from Jesus. We want to help our students filter their decisions through their Christian faith. We want them to know Jesus, and to trust him as their source of grace and life; we equip them to pray, read their Bibles, and worship as a way of life, so that they may continue to do so after they leave their homes.
